INTERNSHIP OFFER LETTER

To,
Shivayan Chakravarty
[redacted]

Subject: Offer of Internship – Intern Developer

Dear Shivayan,

We are pleased to offer you an internship with Vibrnd in the position of Intern Developer, commencing from 10 August 2026.

During the internship, you will work with the Vibrnd team on software and technology projects and assist with development, debugging, testing, documentation, research, and other technical responsibilities assigned from time to time.

Internship Responsibilities

- Assist in developing, testing, debugging, and maintaining software applications.
- Work with development tools, frameworks, APIs, databases, and version-control workflows as required.
- Collaborate with team members, follow project requirements, and maintain clear technical documentation.
- Maintain professional standards of code quality, security, confidentiality, and workplace conduct.

Terms of Internship

- **Commencement & Position:** 10 August 2026; Intern Developer.
- **Work Arrangement:** As assigned by Vibrnd, including office or remote/project locations as applicable.
- **Compensation:** A stipend of [redacted] per month will be paid during the internship.
- **Confidentiality & Intellectual Property:** You must protect all non-public company/client information. Work product created in connection with Vibrnd's work will belong to Vibrnd or its client, as applicable, subject to the terms communicated by the company.
- **Termination:** Either you or Vibrnd may end the internship by providing reasonable notice, subject to project requirements and any specific written terms communicated separately.

Acceptance

Please sign and return a copy of this letter to confirm your acceptance. We look forward to having you join Vibrnd and wish you a productive and rewarding internship.
